## PRESIDENT'S WELCOME

It is exactly twenty-five years ago this Easter that I travelled with East Grinstead to Rouen to play in our first Easter Festival in that lovely city, and we did not realise at that time that this was the commencement of a unique association between two clubs, and which was extended when we were joined by Flottbek of Hamburg in 1954.

Every year since a Festival has taken place at one of the three clubs, and as a result an enormous amount of fun and pleasure has been enjoyed by hundreds of people, and many life-long friendships have been made.

This year we are happy to have with us again our friends from Amstelveen who came here three years ago, and I would also like to extend a very warm welcome to the Inverleith Club from Scotland who are joining us for the first time.

Many thanks also to our old rivals and colleagues from Croydon M. O. and Mid Sussex for coming along again and helping us to entertain our visitors.

For the first time this year, we are entering a "Young Lions XI" in the Festival, which is a team comprised entirely of schoolboy members of the Club, and what they lack in experience I am sure they will make up for in enthusiasm.

May I wish you all an enjoyable and successful week-end.
